BIBLES

THE ENGLISH STANDARD VERSION – CATHOLIC EDITION

The Catholic Edition of the English Standard Version Bible is now available for use in the liturgy, in theological centers of learning, in Bible study groups, and in basic Christian communities.

First published by Crossway in 2001, the ESV Bible is a “word-for-word” Bible translation that seeks to reproduce the precise wording of the original text and the personal style of each Bible writer. The principle of “word-for-word” literal translation is in accord with Liturgiam Authenticam as required for use in the Catholic liturgy.

The English Standard Version Catholic Edition (ESV-CE) will thus form the basis of the liturgical text in the Catholic Lectionary. Such a literal translation is also helpful for all students of Scripture. The ESV Catholic Edition will bear abundant fruit in the lives of Catholic readers and all other readers — in liturgical celebrations and theological institutions, and in personal, family, and communal reading.

THE MIRACLES: COMIC BOOK

Includes all the Miracles of Jesus and Full Bible Text and Explanations

This book is about the most extraordinary deeds of Jesus' life: The Miracles. You will find out that Jesus' miracles go beyond the fact itself. Miracles are another method Jesus used to tell us about God our Father.

It is meant to help read, remember and understand Jesus' miracles. That's why we propose you three readings of each miracle: the Bible text, the miracle narrated through comic strips and the comment. The comments are suitable for boys and girls from 9 years up.

For each miracle you will find its Biblical text in the translation of the Good News Bible. With the miracles that can be found in more than one Gospel, you will find the parallel passages. In spite of the fact the comic strip texts are exactly the ones of the Bible, we recommend that you also read the Biblical text.

The parents and teachers that use that book to explain the miracles can devote a session for miracle. I advise you to prepare the session by reading the previous comments as a guide for the explanation; each paragraph contains an idea and its development.

JESUS OF NAZARETH HOLY WEEK (Volume II)

From the Entrance into Jerusalem to the Resurrection

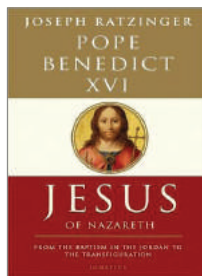

Jesus of Nazareth is the Son of God, and no myth, revolutionary, or misunderstood prophet, insists Pope Benedict XVI. He thinks that the best of historical scholarship, while it can't "prove" Jesus is the Son of God, certainly doesn't disprove it. Why was Jesus rejected by the religious leaders of his day? Who was responsible for his death? Did he establish a Church to carry on his work? How did Jesus view his suffering and death? How should we? And, most importantly, did Jesus really rise from the dead and what does his resurrection mean? The story of Jesus raises many crucial questions. Pope Benedict XVI brings to his

study the vast learning of a brilliant scholar, the passionate searching of a great mind, and the deep compassion of a pastor's heart.

JESUS OF NAZARETH (Volume I)

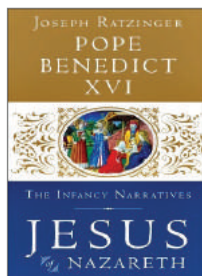

From the Baptism in the Jordan to the Transfiguration

In this bold, momentous work, Joseph Ratzinger—in his first book written since he became Pope — seeks to salvage the person of Jesus from recent "popular" depictions and to restore Jesus' true identity as discovered in the Gospels. Through his brilliance as a theologian and his personal conviction as a believer, he shares a rich, compelling, flesh-and-blood portrait of Jesus and invites us to encounter, face-to-face, the central figure of the Christian faith.

JESUS OF NAZARETH (Volume III)

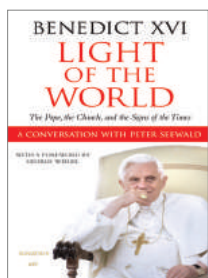

This is the momentous third and final volume in the Pope's international best-selling Jesus of Nazareth series, detailing the stories of Jesus' infancy and boyhood. This part of the trilogy dedicated to Jesus of Nazareth begins with the Gospels and concludes with the contemporary man. He attempts to develop a way of observing and listening to the

Jesus of the Gospels that can indeed lead to the personal encounter and that, through collective listening with Jesus' disciples across the ages, can indeed attain sure knowledge of the real historical figure of Jesus.

LIGHT OF THE WORLD

*The Pope, the Church, and the Signs of the Times
A Conversation with Peter Seewald*

Never has a Pope, in a book length interview, dealt so directly with such wide-ranging and controversial issues as is done in *Light of the World*. Taken from a week-long series of interviews with veteran journalist Peter

Seewald, this book tackles head-on some of the greatest issues facing the world of in our time. Seewald poses such forthright questions to Pope Benedict as:

- What caused the clergy sexual abuse in the Catholic Church?
- Was there a “cover up”?
- Does affirming the goodness of the human body mean a plea for “better sex”?
- Can there be a genuine dialogue with Islam?
- Should the Church rethink Catholic teaching on priestly celibacy, women priests, contraception, and same-sex relationships?
- Is there a schism in the Catholic Church?
- Is Christianity the only truth?
- Can the Pope really speak for Jesus Christ?
- How can the Pope claim to be “infallible”?
- Is there a “dictatorship of relativism” today?

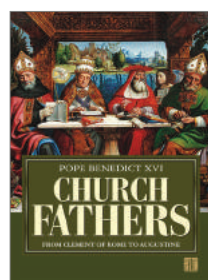

Tough Seewald interviews the Pope himself, the journalist “pulls no punches”, posing some of the thorniest questions any Pope

has ever had to address. Believers and unbelievers will be fascinated to read Benedict’s thoughtful, straightforward and thought-provoking replies. This is no stern preachment or ponderous theological tract, but a lively, fast-paced, challenging, even entertaining exchange.

CHURCH FATHERS

From Clement of Rome to Augustine

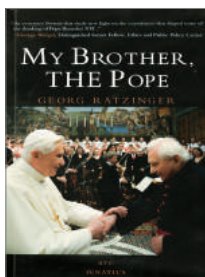

The book presents the important figures of early Christianity in all their evangelical vitality, spiritual profundity, and uncompromising love of God. It tells the true story of Christianity’s against-all-odds triumph in the face of fierce Roman hostility and persecution. It does this by exploring the lives and the ideas of the early Christian writers, pastors, and martyrs, men so important to the spread of Christianity that history remembers them as “the Fathers of the Church”. This rich and engrossing survey of the early Church includes those churchmen who immediately succeeded the Apostles, the “Apostolic Fathers”: Clement of Rome, Ignatius of Antioch, Justin Martyrs, and Irenaeus of Lyon. He also discusses such great Christian figures as Tertullin, Origen, Cyprian of Carthage, the Cappadocian Fathers, as well as the giants John Chrysostom, Jerome, and Augustine. This book is a wonderful way to get to know the Church Fathers and the tremendous spirituality rich patrimony they have bequeathed to us.

THE SPIRIT OF THE LITURGY

Commemorative Edition

Romano Guardini, Joseph Ratzinger & Pope Emeritus Benedict XVI

This is a special Commemorative Edition of one of the most important works written by Joseph Ratzinger: The Spirit of the Liturgy. This edition includes the earlier classic work with the same title by Servant of God Ro-

mano Guardini, a book that helped Ratzinger to “rediscover the liturgy in all its beauty, hidden wealth and time-transcending grandeur, to see it as the animating center of the Church, the very center of Christian life”.

Considered by Ratzinger devotees as his greatest work on the liturgy, this will help readers to deepen their understanding of the rites of the Church. The cardinal discusses fundamental misunderstandings of the Second Vatican Council’s intentions for liturgical

renewal, especially about the priest’s orientation of prayer to the Father, the placement of the tabernacle in churches, and the posture of kneeling. Other important topics are the essence of worship; the Jewish roots of Christian prayer; the relationship of the liturgy to time and space; sacred art and music; and the active participation of the faithful in the Mass.

YOUCAT SERIES

YOUCAT

Edited by Christoph Cardinal Schoenborn

Developed with the help of young Catholics and written for high-school age people and young adults, YOUCAT is an accessible, contemporary expression of the Catholic Faith. The appealing graphic format in-

cludes Questions-and-Answers, highly-readable commentary, summary definitions of key terms, Bible citations and inspiring and thought-provoking quotes from Saints and others in the margins. What’s more, YOU-CAT is keyed to the Catechism of the Catholic Church, so people can go deeper. It explains:

- What Catholics believe and why (doctrine)
- How Catholics celebrate the mysteries of the faith (sacraments)
- How Catholics are to live (moral life)
- How they should pray (prayer and spirituality)

The questions are direct and honest, even at times tough; the answers straightforward, relevant, and compelling. YOUCAT will likely become

the “go to” place for young people to learn the truth about the Catholic faith. Pope Benedict XVI in the foreword says “Study this Catechism!” “This is my heartfelt desire. Study this Catechism with passion and perseverance...”

The author delves deeply into what he considers the main character of the priesthood, and

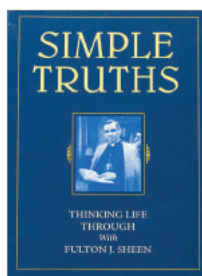

one not often discussed, that of being, like Christ, a "holy victim". LITURGICAL FORMATION OF THE PEOPLE OF GOD

Apostolic Letter Desiderio Desideravi

Pope Francis

Inspired by the verse from the Gospel of Luke, 'I have earnestly desired to eat this Passover with you before I suffer' (22:15), Pope Francis addresses the whole Church with a meditative letter with inspirations drawn from the

Scriptures, the Church Fathers and liturgical tradition. It is a meditation on understanding of the beauty of liturgical celebration and its role in evangelisation. It speaks about the liturgical worship that strengthens the communion lived in fraternal charity, which is the

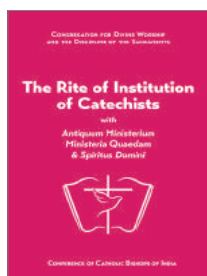

first and most effective witness to the Gospel. This Apostolic Letter Desiderio Desideravi stresses the central role of liturgical formation in evangelisation and faith: 'A celebration that does not evangelise, that does not lead to an encounter with the Risen Lord is not authentic – but like a noisy gong or a clanging cymbal (1 Corinthians 13:1)'.

He embraced Christianity at a time when casteism and slavery were very prevalent. His faith in Jesus Christ helped him to see humanity as one family. He believed in equality of human persons created in the image of God, and put this faith into practice by treating all people equally. JESUS AND AMBEDKAR

The Relevance of an Emancipatory Correlation between Jesus and Ambedkar to the Contemporary Indian Catholic Church

George A. Sebastin Babu, HGN

A book comparing Jesus and Ambedkar could disturb many Christians for fear that the divinity of Jesus and his uniqueness might be diluted. However, the present book relates Jesus of history and his liberative

agenda in favour of the marginalized with the struggles of Dr Ambedkar for the liberation of the Dalits. In this way, the book brings the ideals of the Reign of God closer to the Dalit aspirations and dreams. The book juxtaposes the basic beliefs, options and actions of these two great personalities who have transformed the world. The author raises many issues that require our attention as individuals and community. The famous controversies and conflicts between Dr Ambedkar and Gandhi too are dealt with. The author has powerfully and convincingly brought out the various struggles of both Ambedkar and Jesus to usher in an equalitarian society endowed with human dignity.

GOA'S INQUISITION

Facts-Fiction-Factoids

Alan Machado (Prabhu)

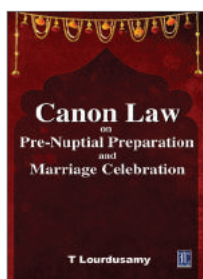

The Inquisition's jurisdiction in India covered Diu, Daman, the Provinca do Norte, Goa (Bardes, Ilhas, Salcete), and settlements in Kanara, Malabar, Mylapore, and Bengal. Punishments varied from mild (spiritual

instruction and penances) to execution in rare cases. Do such numbers and sentences justify the terrifying reputation earned by Goa's Inquisition? The secretive nature of its operations and destruction of much of its archives have aided the making of this reputation. This book is not just about events that occurred centuries ago with no relevance to development taking place today. The history of Goa's inquisition has a lot to teach us. Goa's Inquisition is neither something to be defended nor vilified. Rather, it is something to be studied and analyzed so as to understand what happened, and perhaps more important, its modern avatars.

CANON LAW ON PRE-NUPTIAL PREPARATION AND MARRIAGE CELEBRATION

T Lourdasamy

Of late, the Sacrament of Holy Matrimony has become incessant. This is due to poor comprehension of the sanctity of Catholic marriage that is reigned by both divine law and canon law and the commitment it

demands. Needless to emphasize on the importance of sufficiently educating the couples on the finer aspects of Sacrament of Marriage and Christian Family Life. Having this broad perspective in mind, the author, Fr T Lour-dusamy has prodigiously detailed the canonical aspects that need to be observed in the pre-nuptial preparation and marriage celebration. This book has a vast reach and covers almost all subjects of contention. Surely, it will serve as a fine handbook.

THEOLOGY

ESCHATOLOGY

Biblical, Patristic and Modern Views on the End of the World

a text book for theology classes. He has consulted many authors and their books and presented a comprehensive view of the concepts such as death, life after death, resurrection, judgment, heaven, hell, purgatory, angels, satan, anti-christ, exorcism, etc. He clarifies these concepts using the Sacred Scriptures, Patristics, Views of prominent theologians, Teachings of popes and councils, and finally the Catechism of the Catholic Church.

MARIOLOGY: DOCTRINE AND DEVOTION

Dr John Kudiyiruppil, MST

This book will prove to be a mine of information and a source of inspiration. It will very well serve as a resource for a detailed course on Mariology. It is divided into four chapters. The first chapter presents the Biblical

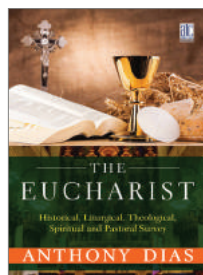

foundation of Mariology. The second chapter illustrates the extra-Biblical narratives on Mary from the Apocryphal writings, the Fathers of the Church and the Vat II. The third chapter is devoted entirely to explain the official teachings of the Church on Blessed Virgin Mary, known as the Marian dogmas. INTERRELIGIOUS DIALOGUE

Theology of Sacred Space

Simon Pinto

The theology presented in this book is an interreligious theology to aid dialogue with other religions. Sacred space theology emerges in the search for a common ground for dialogue especially with the believers of

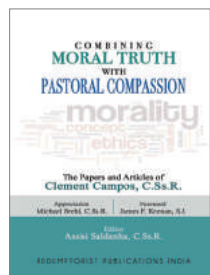

Buddhism and Jainism who do not believe in a personal God, who is otherwise the common ground. Yet even the atheists can be very well part of such a dialogue based on sacred space as seen in the present work that sacred space extends beyond the physical religious structures to every human heart, his conscience and all that is good and holy.

SCRIPTURE STUDIES

YOU WILL BE MY WITNESSES (Acts 1:8)

Witness in the Acts of the Apostles

Sophia Paul Kuzhippalayil, DM

“You are witnesses of these things” (Lk 24:48). “You shall be my witnesses” (Acts 1:8). Sending the disciples as witnesses is, for Luke, the conclusion of the Gospel, of what Jesus said and did. It is also the beginning of

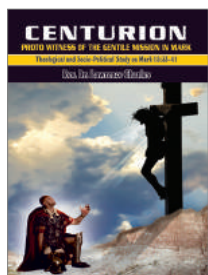

Acts, of what the Church is called to do. As a conclusion and as an introduction, the theme of witness is the focus of the Lukan double work. But what does it mean to witness? This is what the book of Sr Sophia Paul intends to set forth by answering the basic questions - Who are the witnesses? What do they witness to? How do they witness? When and Where do they witness? The book shows that witness can be visual and trans-visual. The book has the careful analysis of the relevant texts of the Acts of the Apostles which helps us better to understand our role as “witnesses to the ends of the earth.”

CENTURION – PROTO WITNESS OF THE GENTILE MISSION IN MARK

Theological and Socio-Political Study on Mark 15:33-41

Rev Dr Lawrence Charles

The author proposes mission in two levels:

1. Christians in the place of the Centurion and
2. Christians in the place of Jesus.

On the first level, the author observes that today, the Christians individually and collectively have stood in the place of the Centurion and confessed that Jesus is the Son of God not simply in words but in giving their lives.

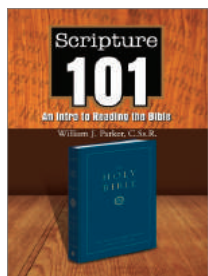

In the second, he argues that in the present-day context, Christians must be ready to suffer, even to die in union with Christ, in their fight against social evils. Christians are not left alone because Christ has promised them his assistance till the end of time. He who commissioned the disciples to go into the entire world, is the one who is going with them. Thus, the author's biblical research has a missionary terminus.

RELIGIONS, INTER-RELIGIOUS DIALOGUE AND EVANGELIZATION

Andrew Anil Sequeira

Religions are consistent in themselves possessing specific 'symbolic universes' like animistic, ontologic (nature of being) and personalistic. These symbolic universes, though distinct, are not contradictory but

complementary. The author speaks of the Symbolic Universe and Religious Discipline of each religions. He gives special attention to Christianity's inter-religious dialogue and evangelization. He says, Christianity stands in need of a new 'theology of religions' that is 'inclusive-pluralist', the one that can respect all religions in their essence and manifestation. Such a theology of religions would help Christianity to initiate and carry on inter-religious dialogue, obey Christ's mandate of evangelization and live together with all the religious adherents of the world in peace and harmony.

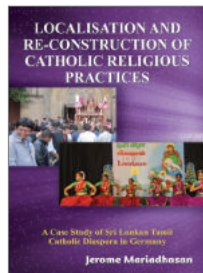

This book, therefore, is absolutely for all who are directly involved in the task of inter-religious dialogue and evangelization. To Christian scholars, priests and seminarians (studying theology), it would be of great assistance to instruct Christian faithful the right approach both to inter-religious dialogue and evangelization.

PRAYER, MEDITATIONS & PRAYER SERVICES

3 MINUTES DAILY MEDITATION FOR 30 DAYS

Do it Yourself Guided Meditation

Antony P. Rajan, CSSR

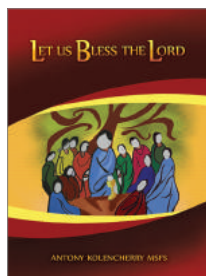

This Do-it-Yourself guided meditation is written in the spirit of St Alphonsus Maria de Liguori, who was declared by the Church as one of the Doctors of the Church in the year 1871 and this year 2021, marks the one hundred and fiftieth anniversary of the declaration. It is divided into two major parts and each part contains fifteen meditations altogether for thirty days. Each meditation proposes a theme, a scriptural verse and begins with a short prayer. The main body of the meditation is a reflection which connects the user to the suggested verse. Towards the end of the reflection, you will find key words to focus on and a pertinent question that may help the user to go deeper within him/her and a one-line prayer to complete the meditation. For each day an inspiring anecdote or a quotation or some suitable reflection is annexed for enlivenment and at the end the summary points are flashed.

LORD, HELP US IMPROVE OUR PRAYER

Cardinal Prosper Grech, OSA

The purpose of this little book is that of shedding more light on our daily prayers to prevent them from becoming trite through constant repetition, and thus extend their scope. Liturgical texts as

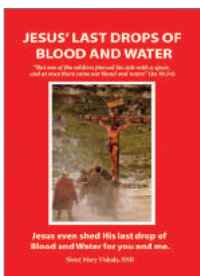

well as popular devotions have biblical overtones which render more explicit explanation by pointing to and commenting on some relevant passages from Scripture. Among the many books on prayer this one will find a modest place, and prove useful to priests, religious and devout laity. It is a translation of *Signore, insegnaci a pregare*, published by the Vatican Press.

FORTY SORROWS OF JESUS

Reflections for the Season of Lent

Shajan P Joseph, CM

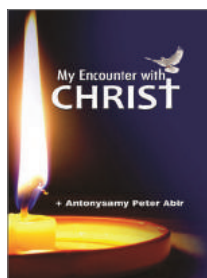

This book presents a number of incidents from the life of Jesus, meditated upon, studied in detail connecting with the Old Testament revelation and finally churned it out in relation to our own contemporary situation.

Every chapter takes a single verse from the Gospels that lead the reader to memorize a Jesus event. These are then treated succinctly but sufficiently commented. Each of the titles ends with a prayer relating to the suffering of Jesus and hence the sufferings of the poor and of those who are pushed aside to the periphery of the society, by the powerful. The meditations give ample space to the reader for enhancing the Lenten spirit for personal prayer, further reflection and thus conversion to be better Christian.

MY ENCOUNTER WITH CHRIST

+ Antonysamy Peter Abir

The reflexions contained in this book are pastoral: they are the thoughts and words of a pastor to a flock “challenged by today’s trends.”

They are liturgical as they follow the course of the liturgical year from the Ma-

ranatha of Advent to the “Joys and sorrow” of Christmas, on to the time of Lent as the “season of transformation,” and the Paschal mystery of the Cross and Resurrection, to continue to “walk in his footsteps” in the post-paschal times, meeting Mother Mary frequently along the way. They are also biblical. They are the expressions of the encounter of the Spirit speaking in the Scriptures with the Spirit at work in the signs of the times.

PSALMIC ODES FROM APOSTOLIC TIMES

An Indian Monk's Meditation

Edited by Dr Bernard Kilroy

The Odes, or short poems, which are associated with the name of Solomon, constitute one of the most puzzling pieces of early Christian literature. These psalms, or ‘Odes’ were re-discovered for what they

were only in 1909. Since then, scholars have laboured to be sure of the text and its origins - in language, dating and theology. Some translations are available in the West; this translation is the first in India for general reading - by an Indian monk, with meditations. For

those wanting to delve into the Odes' background, and how they were originally understood, the commentaries lead to further reading, although that's just the beginning.

TWO KEYS TO WALKING IN VICTORY

Unleashing the Power of the Holy Spirit in our Lives

Colin Calmiano and Priya Calmiano

Today, to remain still in touch with God is too difficult a task for people who are busy and determined to make a bid in life. Colin and Priya explain to us that prayer is as simple as life breath. It is also urgent

and essential to life as well. Their teaching is rooted in the ancient Christian spiritual tradition of prayer. The Two Keys to walking in victory namely, praying in tongues continually and commanding in the name of Jesus will guarantee that we walk as Jesus and the

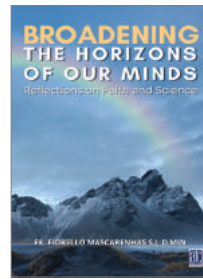

early Christians walked here on earth. God has given us dominion and authority to rule and reign here on earth and the Holy Spirit empowers and equips everyone who is yielded to Him to do it. When we pray in tongues continually, we can live in triumph and all the charisms, gifts and the fruit of the Spirit will be evident in our lives. This book will help us to experience the re-awakening of the Holy Spirit and to walk in greater intimacy with the Holy Spirit.

BROADENING THE HORIZONS OF OUR MINDS

Reflections on Faith and Science

Fr Fiorello Mascarenhas S.J., D.Min

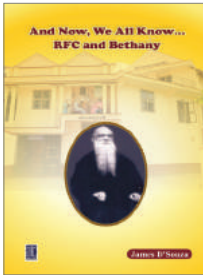

Dr Fio Mascarenhas SJ's expertise in the biblical domain enables him to treat with both ease and delicacy the correct interpretation of Scripture, as it shines a light not on *history* but on *Salvation history*, not on *geogra-*

phy but on *Salvation geography* (the vast 'terrain' of the kingdom of God), and so on. In his habitually lucid style, he brings out of his treasures. As the world continues to reel from the pandemic and its resultant suffering, the author challenges us to unpack the deep relationship of Christian faith and science so as to "reassure the faithful, and especially young people, that their Church sees this relationship as one of complementarity and mutual stimulus" (St John Paul II). He focuses our minds on the person of Jesus, and on God's wisdom and power.

DANGERS OF THE NEW AGE

A Movement that Strikes at the Root of the Faith

Binita Jacob

Binita Jacob makes an honest attempt to counteract the present trends of the 'New Age' which 'though pleasant to the eyes' are often destructive to the human person. She is explicit with regard to what sets the

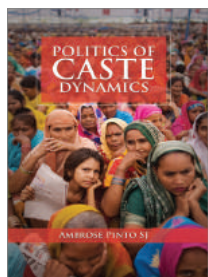

Christian faith apart in the context of religious syncretism and the resultant New Age ideology. She also explores the essence of the Christian Faith and the glory of God and man. The glory of God consists in the realization of His manifestation and communication of His goodness, for which the world was created. Her work becomes relevant, as she judiciously delineates the consequences of NAM both in the society at large and Church in particular. The farsighted insights shared in this study are highly beneficial to delineate the NAM, the silent killer of the Christian faith. This study will function as a handbook for every Christian believer who wants to know the alarming impact of NAM in depth and detail.
